

## **Design Technology Scholarships at Bethany**

### **Year 7 Entry**

Candidates sit a one hour design paper followed by a one and a half hour modelling exercise. References will be requested from the candidate's current Design Technology teacher. Students should bring with them anything that shows design and/or practical application e.g. models or drawings.

### **Year 9 Entry**

Candidates sit a one hour design paper followed by a two hour practical exercise. References will be requested from the candidate's current Design Technology teacher and students should bring with them a portfolio of Design Technology work and any practical work produced in Years 7 and 8.

### **Sixth Form Entry**

Candidates sit a one hour design paper followed by a two hour practical exercise. References will be requested from the candidate's current Design Technology teacher and students should bring with them a portfolio of Design Technology work and practical work if possible.
