1. Introduction

It is important to bear in mind that the vast majority of our pupils behave very well and try to do the right thing at all times. We should also remember that behaviour may always be modified for the better through regularly praising and rewarding for both good work and positive behaviour.

However, the purpose of this policy is to provide pupils, parents and staff with a clear understanding of the expectations, standards and procedures relating to the maintenance of good order in the School. It is essential in the creation of a positive and high-quality learning environment that these expectations – of standards of work, appearance and behaviour – should be shared and supported by pupils, parents and staff.

It is inevitable that some aspects of a policy on discipline, in particular those that outline unacceptable behaviour, will be expressed in negative terms. However, the policy as a whole should be viewed as a positive document that will help to ensure the high standards, good behaviour and achievement of the majority are acknowledged and supported and that those who diverge from the accepted standards are encouraged to comply with them.

We follow the non-statutory advice Behaviour and Discipline in schools (2014). Specifically, we will observe our duties under the Equality Act 2010, including issues related to pupils with special educational needs/disabilities and how reasonable adjustments are made for these pupils. We will provide appropriate support systems for pupils, liaise with parents and other agencies, manage pupils' transition, and take appropriate disciplinary action against pupils who are found to have made malicious allegations against staff.

In the administration of these standards it should be the particular responsibility of staff to be fair and consistent. At no time should we use language or actions that might be construed as derogatory, disrespectful or sarcastic and unnecessary confrontation and escalation should always be avoided.

The School does not use corporal punishment.

2. Positive Student Behaviour with Rewards

We aim to create an atmosphere where pupils behave with courtesy, consideration and respect for other people and their property and the environment and where pupils are able to strive for and give of their best.

- Pupils' good behaviour is a whole school responsibility
- Guidelines on appropriate behaviour etc and the scale of rewards and sanctions are published and on display in appropriate places

- Good communication verbal and written – the ‘paper trail’ - is essential
- The tutor is key and parents need to be fully involved

3. Basic Behavioural Expectations and Standards

In all circumstances, staff will expect all pupils to:

- behave with courtesy and consideration for other people – all staff, other pupils, parents and visitors
- respect other people’s property as well as their general environment and the fabric of the buildings
- take responsibility for their own actions. This includes refraining from using offensive, vulgar or foul language and behaving in an anti-social manner
- respond co-operatively to instructions from staff and School officials
- dress according to the appearance guidelines and to be smart and well presented at all times
- walk sensibly and quietly in the buildings
- put rubbish and litter into the bins
- not take food or drinks out of the dining room
- refrain from chewing gum or spitting
- speak with good manners and refrain from coarse and uncouth language

In addition, in lessons staff will expect all pupils to:

- be punctual, line up outside the classroom and enter in a orderly manner
- bring the appropriate books, equipment or games kit to every lesson
- listen, to follow instructions and to remain quiet when asked
- contribute to the lesson positively
- respect the right of other pupils to learn and teachers to teach
- complete classwork and prep to the best of their ability
- record prep tasks in their planner

4. Rewards & Sanctions

Positive Student Behaviour with Rewards

We aim to create an atmosphere where pupils behave with kindness, courtesy, consideration and respect for other people, their property, the environment and where pupils are able to strive for and give of their best.

- Pupils’ good behaviour is a whole school responsibility.
- Guidelines on appropriate behaviour and the scale of rewards and sanctions are published and on display in appropriate places.
- Celebration of pupil achievement is key. Parents and Tutors should be involved and communicated to. Commitment to our community is as important to Bethany School as high academic and/or non-academic achievement.

There are prizes at the end of each term. There are prizes on Speech Day for a number of different areas of achievement, effort, performance and also citizenship. Merits are recorded on iSAMS and may be seen via the Parent Portal.

Staff are actively encouraged to reward pupils throughout the full age range of the pupils but are reminded that it is a particular responsibility of staff to apply sanctions fairly and consistently especially with reference to age, gender and ethnicity.

Suggested level system for Rewards.

<p>LEVEL 1 Merit</p> <p>Academic merits can be awarded any teacher for very good work – in class, prep, practical / performance work, tests, marked progress, special effort.</p> <p>Non-academic merits can be awarded by any member of staff for considerate and helpful behaviour towards others or around the school. For a good contribution to a KRS competition overseen by the Head of KRS.</p>
<p>LEVEL 2 Postcard Home (Equivalent of 5 x Merit)</p> <p>Academic – awarded by HoD for an excellent piece of work or contribution in practical or performance work.</p> <p>Non-Academic – Given HoM/ KRS Head of House/Tutor for an excellent contribution to House, KRS competition, Charity fundraising</p>
<p>LEVEL 3 Student of the Week (Equivalent of 10 x Merit)</p> <p>Academic – awarded by Departments weekly and Tweeted for the pupil showing outstanding contribution to learning that week in that subject. For example – Best exam score, Excellent Essay or Project, consistently outstanding in lessons.</p> <p>Non-Academic –awarded by Houses for the pupil who has contributed to the House in an outstanding way. For example – Organising a House Event, best effort grade score in house.</p>
<p>LEVEL 4 Student of the Term (Equivalent of 15 x Merit)</p> <p>Awarded by Houses and Competitive Houses for consistently outstanding contributions or exceeded expectations throughout the term to one pupil.</p>
<p>LEVEL 5 Headmaster Commendation</p> <p>Awarded by the Headmaster for the better than 1.25 Effort Score in Head’s Assembly, by specific nomination by a member of staff, the Prefect Team for an exceptional piece of work or contribution to the whole school.</p>

Cumulative Merit Prizes

The Healy House Effort Cup

Awarded to the House with the highest combined average effort score for the term.

4.1 SANCTIONS – Academic and Behavioural Concerns

In both areas concerns, and therefore sanctions, progress through five increasingly more serious levels. They start with a quiet word from a teacher or tutor, progress through debits, detentions, suspensions and finally, *in extremis*, expulsion.

The tutor deals with all concerns in the first instance, helping their tutee and liaising with parents, then the Housemaster/mistress and/or the Head of Department become involved, followed by the SMT and finally the Headmaster.

4.1.1 Level 1 slip - For flagging up concerns and hopefully, pre-empting a potentially escalating problem

4.1.2 Level 2 Debits - Issued by a member of staff in response to Level 2 incidents. Three debits result in a Friday detention

4.1.3 Detentions – Parental consent is not required for detentions, however, letters are sent in advance, for information to parents by the Housemaster/mistress should a pupil be issued with a Friday or Saturday detention.

Departmental Detentions	for poor work, lack of prep etc
Daily Academic Detention	Failure to attend Department Detention
Friday detentions	an accumulation of three level 2 debits or in response to a Level 3 incident
Saturday detentions	an accumulation of more than 1 Friday detentions or in response to a Level 4 incident

Level 2 and Level 3 debit slips are not carried over into the next half term.

4.1.4 Suspensions

Internal suspension	an accumulation of Saturday detentions or in response to a Level 4 or 5 incident
---------------------	--

External suspension	in response to a Level 5 incident
---------------------	-----------------------------------

- A central record of serious sanctions is maintained by the Deputy Head and is reviewed monthly by the Headmaster and annually by the Chair of Governor responsible for the Complaints Policy.
- In boarding houses records for minor sanctions are held in boarding houses there but the more serious sanctions are held centrally in the serious sanctions register.

4.1.5 Permanent Exclusion

- Any pupil who sells drugs to other pupils on school premises will be permanently excluded.
- An accumulation of detentions and suspensions may well result in a pupil being asked to leave the School.
- The School will also consider whether permanent exclusion is a suitable response to bullying.
- Permanent exclusion is subject to a right of appeal and the procedure is as outlined in Stage 3 of the Complaints policy.

5. Appropriate Responses

5.1 During Lessons

Wherever possible, an incident should be dealt with **at the time it arises** by the member of staff taking the lesson, who will benefit from having dealt with it effectively. Often this will also prevent what is probably a relatively minor offence escalating and becoming more difficult to deal with. Staff should calmly, but assertively, remind the pupil of our expectations.

If the difficulty persists follow the guidelines referring to the pupil's Tutor, your HoD, the pupil's HoM, SMT or Headmaster as appropriate.

5.2 Outside of the Classroom

Similarly, the member of staff witnessing an incident should, wherever possible, deal with it **at the time it arises**. This should prevent the situation escalating
If the difficulty persists then, as above, follow the guidelines.

5.3 Exclusion

This should only be used if a pupil is disrupting or disturbing lessons and the usual strategies have not worked and where, despite our best efforts, the indiscipline of the pupil is preventing us from teaching others.

In the first instance, and this is likely to be in response to a Level 4 incident, the pupil should be sent to the HoD, accompanied by a reliable pupil and with the appropriate work. If this proves difficult a reliable pupil should be sent to find your HoD who should come to your classroom to deal with the situation.

The second, more serious, instance, is likely to be a response to a Level 5 incident. The pupil should be sent to a member of the SMT, once again accompanied and with work. If this proves difficult a reliable pupil should be sent to find a member of the SMT – this may well need to be via the School Office – they should then come to the classroom to deal with the situation.
