

BETHANY SCHOOL VISION STATEMENT

Bethany 2026 is a school which is:

- Providing an innovative education relevant to the 21st century.
- Encouraging the virtue of learning in young people delivering 21st century learning habits.
- Living our Christian values through excellent pastoral care.
- A flourishing school investing in the future.

Within this context the School aims to provide an innovative and creative education relevant to the 21st century:

- provide each pupil with a tailored, innovative and relevant education within a caring community.
 - enable each pupil to maximise their abilities and achieve their personal objectives - academic, artistic, sporting or excellence in other fields.
 - all pupils, including the more able, are appropriately challenged.
 - as far as possible, Information Technology is used to maximum effect in teaching and administration.
 - investment in the estate and infrastructure is geared to the advancement of the curriculum.
